

Never Smile at a Monkey

By Jenkins, Steve.

Houghton Mifflin. 1 Cloth(s), 2009. hard. Book Condition: New. Of course you wouldn't pull a tiger's tail or stomp on a rattlesnake, but did you know that you should handle a platypus with care? Here readers 4 to 8 can take a new look at animals whom we often forget are dangerous (kangaroo, hippopotamus) and some whose lethal characteristics we may not have fully appreciated (Humboldt squid, rhesus monkey), alongside such unassuming creatures as the cone shell, which can launch poisoned barbs like harpoons. Much as he did in Creature Features, Actual Size, and the Caldecott Honor Award book What Do You Do with a Tail Like This?, Steve Jenkins depicts animals in gorgeous, scientifically precise collage portraits. 32.

These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.
