Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This collection of strange, hilarious and informative anecdotes of Tennis, Teaching and Tots was compiled by a writer with both teaching and tennis careers spanning decades. A keen observer of the odd and ridiculous experienced in the everyday, Maud Thorne was encouraged by friends and family to write a book about it - which is exactly what she has done! The result is this original and fascinating volume, bound to put a smile on the reader s face. Besides being a treasure trove of tennis history - especially of the Border area of South Africa s Eastern Cape province - this light-hearted book will appeal to all generations of tennis-players, teachers and pupils, as well as to anyone with a sense of humour. Experience of working for a local newspaper led Maud to accumulate gremlins from many sources. Combined with priceless classroom clangers from a long teaching career, Dropshots is guaranteed to make you laugh out loud! Illustrations include tennis memorabilia, photographs, and original drawings by Maud s grandchildren, 7-year-old twins, Joel Hannah Thorne.
