He s an ordinary boy with an extraordinary problem. He s four feet tall, about a foot wide . . . oh, and half an inch thick. At first being flat is fine. It s fun going in and out of rooms simply by sliding under the door. And it s exciting being mailed to your friends in California for a visit. But it s not always easy being different, and soon Stanley wishes he could be just like everybody else. Will he ever be normal again?.
