Annie covers the full range of emotions and leaves you feeling inspired and humbled by the wit with which she sees the world. -Maryann Kerr, Executive Director, Gilda's Club Bearing up with Cancer is an inspiring book, chronicling Annie Smith's life over the 20 years after she was first diagnosed with cancer. The author's incredible wit and vivacity are integral to her story. This is a woman who taped chocolate bars to her abdomen as an energy source for her surgical team. This honest, intimate and humorous book is remarkable on many levels. It is a highly informative education on doctor/nurse/patient relationships and the crucial role that they play, as well as the role of supportive family and friends in healing. Bearing Up With Cancer is illustrated in full colour with Annie...
