America Star Books, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Almost everyone has a busy life, so you might be able to relate to the life of Ina and understand events that Ina experiences. Sometimes sensitive, but usually with a good dose of humor. The book talks about everything from losing a cat from her parents, to dangerous situations with scooters, from the execution of a pregnancy test, up to the loss of her bikini. In short, it is a very diverse collection, with a wide variety of everyday things. Ina Schipper-Brands was born (1981) in t Haantje, Drenthe. She was writing in primary school as a hobby. In secondary school, Ina wrote for the school paper. During that time, she dreamed of creating her own stories. In the years that followed, this dream became somewhat put on hold because of her work as a nurse, and because of motherhood. The past year, she relives her dream through all the particular experiences that Ina encounters.
