[...]wouldn't bank on your theories if they were endorsed by the Rothschilds. He'll never write a decent book in his life if he clings to that theory, said Kelly, after Harley had departed. There's precious little in the way of the dramatic nowadays in the lives of people one cares to read about. Nevertheless, Harley had written interesting books, books which had brought him reputation, and what is termed genteel poverty-that is to say, his fame was great, considering his age, and his compensation was just large enough to make life painful to him. His income enabled him to live well enough to make a good appearance among, and share somewhat at their expense in the life of, others of far greater means; but it was too small to bring him many of the things which, while not absolutely necessities, could not well be termed luxuries, considering his tastes and his temperament. A little more was all he needed. If I could afford to write only when I feel like it, he said, how happy I should be! But these orders-they make me a driver of men, and not their historian. In fact, Harley was in that unfortunate, and at the same time happy, position where he had many orders for the product of his pen, and such financial necessities that he could not afford to decline one of them.[.].
