Brand New Book ***** Print on Demand *****.Lad stood looking out of the dormer window in a scantily furnished attic in the high-pitched roof of a house in Holborn, in September 1664. Numbers of persons were traversing the street below, many of them going out through the bars, fifty yards away, into the fields beyond, where some sports were being held that morning, while country people were coming in with their baskets from the villages of Highgate and Hampstead, Tyburn and Bayswater. But the lad noted nothing that was going on; his eyes were filled with tears, and his thoughts were in the little room behind him; for here, confined in readiness for burial, lay the body of his father. Sir Aubrey Shenstone had not been a good father in any sense of the word. He had not been harsh or cruel, but he had altogether neglected his son. Beyond the virtues of loyalty and courage, he possessed few others. He had fought, as a young man, for Charles, and even among the Cavaliers who rode behind Prince Rupert was noted for reckless bravery. When, on the fatal field of Worcester, the last hopes of the Royalists were crushed, he had effected his escape to France and taken up his abode at Dunkirk. His estates had been forfeited; and after spending the proceeds of his wife's jewels and those he had carried about with him in case fortune went against the cause for which he fought, he sank lower and lower, and had for years lived on the scanty pension allowed by Louis to the King and his adherents.
