Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Everett Stanton)

Rebel Satori Press. Paperback. Book Condition: New. Paperback. 72 pages. Dimensions: 7.9in. x 4.9in. x 0.3in.In the Qabalistic Tradition, the 4-letter name of God known as the Tetragrammaton represents an explanation for how the creative power of the Divine manifests in the material world. With a simple rearrangement of these 4 Hebrew letters, a design can then be created that resembles a human figure (see front cover). This transmutation between a name for the Divine and an image of humanity is called the Exalted Man and symbolizes the potential for a higher consciousness that exists within us all. This present book entitled The Exalted Man was inspired by the passing of a friend and is a humble attempt to try and find some kind of spiritual understanding in the aftermath of such a loss. Using the Haiku style, which is a 17-syllable Japanese poetic form, The Exalted Man is a collection of 161 mini-meditations designed to introduce the reader to a more expanded perspective on life and change, much like the example set by many monks in the Zen Tradition who, on the verge of dying, would spontaneously compose a Haiku as a lesson to their students on the transition between the known and unknown. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
