CONTEMPORARY EAST EUROPEAN POETRY: AN ANTHOLOGY (PAPERBACK)

Oxford University Press, USA, United States, 1994. Paperback. Book Condition: New. Expanded. 202 x 134 mm. Language: English Brand New Book ***** Print on Demand *****.Providing a unique window into a poetic tradition little known and little understood in the West, Contemporary East European Poetry features one hundred and thirty poets from ten countries, with works translated from fifteen languages. Emery George, himself a distinguished poet and translator, here brings together over five hundred poems expertly rendered into beautiful, English verse by ninety translators, often working in collaboration with the original author. Represented are poets from many walks of life, contrasting religious and political outlooks, those working at home and in exile, and most importantly, poets who work in a wide variety of styles--from traditional forms to the most up-to-date experimental modes. While most of the poems are appearing here in English for the very first time, all are freshly translated for this volume. Earlier English versions, when they exist, appear side-by-side with the newly translated poem. There is no other volume available that even approaches...
