

The Application of Electricity as a Therapeutic Agent (Classic Reprint) (Paperback)

Filesize: 2.08 MB

Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.

(Faye Shanahan)

THE APPLICATION OF ELECTRICITY AS A THERAPEUTIC AGENT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Application of Electricity as a Therapeutic Agent Originally it was not my intention to say anything regarding the philosophy or theory of the application of electricity, but on advice of others I have concluded to add this introduction. Individually I should prefer to adhere to ray first resolution, and leave theories and speculations to others; presenting only the mechanical operation, leaving others to form their own opinions as regards the why and wherefore. The normal condition of the body is Health. The abnormal condition, Disease. In the normal condition the electricities are all equal, having full, natural, dynamic force. In the abnormal the electricities are unequal; some are dynamic, some latent; obstacles intervene, interrupt, and change the currents. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
