The Vampire Combat Field Guide: A Coloring and Activity Book for Fighting the Bloodthirsty Undead (Paperback)

By Roger Ma

Penguin Putnam Inc, United States, 2015. Paperback. Book Condition: New. 275 x 216 mm. Language: English . Brand New Book. In The Vampire Combat Manual, Roger Ma, the nation s preeminent expert in undead warfare, prepared the average citizen to defend against a brutal vampire attack. But without appropriate training, even the most adept slayer of bloodsuckers can be left vulnerable.Therefore, the Institute for Undead Combat Studies has once again created an essential practice handbook for anyone seeking to avoid serious injury, infection, or death at the hands of a vampire.This comprehensive guide includes: *Detailed illustrations to aid in identifying various types of the undead and their vulnerabilities, as well as anatomical drawings you can color to promote knowledge retention *Interactive mental and physical exercises that will teach invaluable fighting techniques and prepare you for battle *Work pages to hone weapon selection, defensive and offensive techniques, and precise staking strategies *and much more! With the proper preparation, no one need fear death by exsanguination or an eternity spent in darkness. Learn to ward off these bloodthirsty creatures while you can or say good-bye to your days in the sun.
