Apress. Paperback. Book Condition: New. Paperback. 600 pages. Expert Oracle Exadata, 2nd Edition opens up the internals of Oracles Exadata platform so that you can fully benefit from the most performant and scalable database hardware appliance capable of running Oracle Database. If youre new to Exadata, youll soon learn that it embodies a change in how you think about and manage relational databases. A key part of that change lies in the concept of offloading SQL processing to the storage layer. That concept is a huge win, and its implementation in the form of Exadata has truly been a game-changer. Expert Oracle Exadata, 2nd Editionprovides alook at the internals andhow the combination of hardware and software that comprise Exadata actually work. Authors Andy Colvin, Kerry Osborne, Randy Johnson, and Tanel Pder share theirreal-world experience gained through a great many Exadata implementations, possibly more than any other group of experts today, with the goal of helping you advance your career through success with Exadata in your own environment. This book is intended for readers who want to understand what makes the platform tick and for whomhow it does what it is does is as important as what it does. By being exposed to the features that are unique to Exadata, you will gain an understanding of the mechanics that will allow you to fully benefit from the advantages that the platform provides. This book: Changes the way you think about managing SQL performance and processing Provides a roadmap to successful Exadata implementation Removes the black box mystique, showing how Exadata actually works What youll learn Configure Exadata from the ground up Optimize for mixed OLTPDW workloads Migrate large data sets from existing systems Connect Exadata to external systems Support consolidation strategies using the Resource Manager Configure high-availability features of Exadata, including...
