Brand New Book ***** Print on Demand *****.Poem-atic is a collection of poems in which word play is one of its main ingredients. Imagine if we could order a baby at our favorite restaurant. How fantastic is that? Or literally eat a ahota dog. The thought! How about riding a poem all the way to South America? Many of us can write poems, but have you ever ridden one? Picture it! The possibilities are endless! This book is comprised of small engaging poems. They were created while in the shower, while driving, at weddings, before going to sleep. They will amuse and entertain you. Read them out loud to your family and friends. Share them. Pass them on. I promise you, you will not be bored.
