Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. 100 Amazing Unspoken Truths is a secret revealing non-fiction. It talks about those usual yet subtle aspects of life which are largely overlooked by the majority. This overlooking happens owing to our socio-politico-economic conditioning over the past several decades. This subconscious training of our minds leads us to accept status quo as the only truth prevailing in our lives. What we miss in the process are a plethora of daily experienced but unarticulated truths. As they are not recognized, these truths tend to be left ignored and impact our lives adversely due to not being managed. Therefore this book has been written in an attempt to make us aware of these equally prevalent facts and avoid us from the partial management trap of our immediate environment. Some such facts which have been talked about are related to the existing, flawed and biased notions about childhood, adulthood, learning, jobs and careers, spirituality, habits, possibilities, early man, reading, body language, eye contact, education, ego, self-respect, common sense, leadership, reverse growth, reality, life, health and diseases, regression, business, politics, humour, love, truth, productivity, happiness, money, intelligence, miracles, faith, friendship, loneliness, solitude, sex, emotions, anger, personality, sports, fetish, thinking, social health, destiny, adventure, salvation, smoking, half truth and lies, emotional intelligence, needs, wants, desires, passion, social circles, past, present, future, brain, simplicity versus complexity, economy, recessions, marketing and sales, intent, character, knowledge, skill, attitude, after-life, re-births, souls, sixth sense, aliens, black-holes, animals, motivation, insanity, goals, focus, journey, extroversion, introversion, self-doubt, self-confidence, over-confidence, interviews, materialism, ethics, beliefs, values, information, hard work, smart work, decision making, power, authority, responsibility, deja vu, law, aging, reverse aging, loss of identity, acting profession,...
