Only one person knows the answer to that question, but Reece Carson, nurse entrepreneur and owner of Text-A-Nurse, plans to be the second. Everyone but Reece believes Abigail Hamilton died of natural causes. They point to her age, chronic health conditions, and medications as evidence. Abigail s doctor called her a heart attack waiting to happen, and the police have determined she doesn t merit a crime scene investigation or even an autopsy. When the suspect turns on her, Reece learns that secrets fester like infections, and one day they ll come back and try to kill you. This cozy...
