Brand New Book ***** Print on Demand *****.Jim and Jill Story are retirees living a simple life in the fishing village of St. James City, Florida. But when an acquaintance of theirs is accused of murdering the area s leading environmental activist, their quiet world is sent into disarray. Their tight-knit group of friends rallies to the man s defense, but the authorities are convinced they have the right suspect. The physical evidence and a previous threat of a powerful Indian curse on the victim are enough for the local sheriff to charge their friend with murder. But while Jim proposes an alternative theory involving an entity known as Big Sugar, a host of other suspects come to light. Was it a jealous husband, a resentful developer, a vengeful politician, or something far more sinister? For fans of John D. MacDonald and Randy Wayne White, The Silver Spoon Murder: A Saint James City, Florida, Mystery is a taut island tale filled with suspense and intrigue that also takes an honest look at the serious environmental and developmental issues facing many communities in Southwest Florida today.
