Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

A Southernmost Journey is a new treasury of columns featured in Jones County s award-winning newspaper, The ReView. Each column chronicles travels to places near and not so far, and invites kindred spirits to ride along on her journey from a barefoot country girl to a Southern woman with big shoes to fill. The shared longing for the wondrous and innocent years that shaped an entire generation of Baby Boomers leaves readers praising her work for provoking fond memories of their own life experiences. A Southernmost Journey is a patchwork quilt of memoirs and observations in which each square represents a small piece of life that makes the journey worthwhile - a remarkable collection of essays to savor with your heart, mind and soul.
