Meeting Lucky is the first part of an inspiring fiction trilogy. Suitable for both children and adults alike, it sees fantasy soften the harshness of the reality of modern life. Toby Chapman is a young boy from a broken home, albeit living in one of the most beautiful parts of England. Following the break-up of his parents marriage, he lives with his mum but adores his dad and yearns for their reconciliation. In the short term, however, Toby has more pressing concerns; an accidental playground collision sees him become a target for both the school bully and his younger brother. Who would have thought that the answer to Toby s problems would lie in the form of a cuddly brown teddy bear? Toby s partnership with his furry friend will develop, touchingly and inspiringly, over the second and third parts of this trilogy.
