

The Carbon Diaries 2017 (Paperback)

By Saci Lloyd

Holiday House, United Kingdom, 2011. Paperback. Book Condition: New. 206 x 138 mm. Language: English . Brand New Book. In this riveting sequel to the hit eco-thriller The Carbon Diaries 2015, Laura Brown, now a college student in London, chronicles the struggle England faces as the government tightens its grip on carbon rations. Laura is juggling two love interests, and her eco-punk band, the dirty angels, keeps landing gigs, so life is good. until a crackdown on rioting students forces her to flee the city. Then, on the bank s European tour, Laura finds herself at the center of a series of dangerous events. The angels have always sung about fighting corruption. Is it time for Laura to join the underground resistance movement and actually practice what the dirty angels preaches? As perceptive and compulsively readable as its prequel, this book raises provocative moral questions for today s young adults.
